

CALL FOR APPLICATION – BOMA PRIZE FOR AFRICA

REGISTRATION GUIDELINES

The 2024 Boma Prize program cycle has officially kicked off and we invite you to begin the process of competing by filling out the interest form below. All startups, whether competing in a local competition or through an open application, must complete this form.

Each year, the Boma Prize empowers small businesses, startups, and entrepreneurs across Africa to scale their innovative startups for real impact. Participants join an exclusive global community of student entrepreneurs, mentors, and industry experts as they work to earn a spot in our Global Finals where finalists compete for over \$20,000 US Dollars in funding, to bring their big ideas to life.

Whether you want to take your existing startup to the next level or are inspired to build a brand-new business, we invite you to participate.

Basic Eligibility:

- You must have completed the Boma Consult Entrepreneurial Certification Program (BEP) and obtained a certificate.
- You must currently have a small business and a business plan
- Business or company must have been in existence for over a year and have an impact on the community
- School Teams must be between 3 - 5 members. All students must be from the same university, with an additional option to have one, that can be from a different university.
- You must be at least 18 years of age to compete.
- Business owners and entrepreneurs can apply individually or as a group. Each individual or group member must be at least 18 years of age and groups must be between 3-5 members.
- All applicants must strictly follow the rules for the video entries, to qualify for the contest.
